Reviews of the soundtrack were mostly positive, but it did not do well in terms of sales. The album was technically strong like DDLJ, but the songs were less melodious than DDLJ. According to Bollywood Hungama, "the music of "Dilwale Dulhania Le Jayenge" seems to be inspired by Rock music at many places with instruments like drums and electric guitars being used effectively in most of its tracks." "Koi Ladki Hai Kahan" is copied from the famous disco song "I Will Survive". The movie was released on DVD on 30 November 1999. The movie was re-released in 2007 (DVD) and 2015 (HD DVD).
